**AMEND Senate Bill No. 9014**

**House Bill No. 9077\***

by inserting the following language at the end of title 14, chapter 4 in SECTION 1:

**14-4-104.** A licensing board shall not revoke, fail to renew, suspend, or take an adverse action against the license of a health care provider based solely on the provider's recommendations to a patient regarding treatment of COVID-19 or for prescribing or dispensing medication for the treatment of COVID-19, so long as the healthcare provider exercises independent medical judgment, believes that the treatment is in the best interest of the patient, and the healthcare provider obtains written informed consent from the patient prior to recommending, prescribing, or dispensing the medication, or based solely on the provider's public expression of the provider's views regarding treatment options for COVID-19, absent gross negligence.
